THE COURT: Okay.

MR. DUPONT: Of course there were mitigating circumstances. They may not have relevance in the trial, but you might consider them in sentencing.

Thank you, your Honor.

THE COURT: Thank you, Mr. Dupont.

Just a moment.

(PAUSE)

THE COURT: Mr. Dupont, if you'd please stand sir.

Mr. Dupont, the jury having returned a verdict of guilty, the Court will impose the following sentence, six months in the House of Correction, 30 days to serve from and after the sentence now serving. The balance suspended for 10 years with administrative, unsupervised probation. The conditions of the administrative unsupervised probation, all of which are self-executing, are that you're not to leave the Commonwealth without written permission of the probation department. You are to be subject to search on reasonable suspicion of any violation of your probation. You shall have no contact directly or indirectly with Wayne Bennett or any member of his immediate family outside of the correctional facility.

1 That is, while you're outside the correctional facility, you  
2 can't have any contact with them, and while he or members  
3 of his family are outside the correctional facility, you  
4 can't have any contact with them. So for example, you  
5 could not from inside the facility contact he or his family  
6 outside the facility, or once you're out, obviously, you  
7 cannot contact them as well. I understand that you and  
8 Mr. Bennett may have to have some dealings with each other  
9 inside but perhaps not, that's not the case. You also  
10 shall while you're outside the correctional facility, stay  
11 at least 100 yards away from Wayne Bennett as well as  
12 members of his immediate family. You also shall stay 100  
13 yards away from Wayne Bennett's residence as well as the  
14 street on which the residence is located. You shall not  
15 possess any firearm or reside outside the correctional  
16 facility where any firearm is present. So, for example, if  
17 once you're out if you get to a living situation where  
18 somebody else has a firearm you can't stay at that  
19 location. You've got to find another location, even if you  
20 yourself are not possessing the firearm. Obviously your  
21 record will keep you from lawfully possessing a firearm,  
22 but in your case you can't even be present in a residence  
23 where a firearm is located. This is going to be  
24 administrative unsupervised probation, and there will be no

1 probation service fee, and in view of your current  
2 incarceration, sir, there won't be any additional  
3 victim/witness fees. That will be the sentence of th  
4 Court. The clerk will read to you the disposition.

5 THE CLERK: Michael Dupont, Docket number  
6 99572662, a complaint charging with threatening to commit a  
7 crime, after jury trial, you're found guilty. The sentence  
8 is going to be six months House of Correction, 30 days to  
9 serve on and after, the balance will be suspended for a  
10 10-year period, that will be administrative unsupervised  
11 probation, and all the conditions that are stipulated here.

12 THE COURT: Thank you. The 10-year date,  
13 Mr. Clerk, do you have that?

14 THE CLERK: The 10 year date would be  
15 2011, your Honor.

16 THE COURT: Okay. Thank you. We want  
17 Mr. Dupont to know that date.

18 Thank you very much. Thank you, all. The  
19 Court will be in recess and we'll return with the Thomas  
20 Dodge matter. The Court is in recess.

21 COURT OFFICER: Court all rise.
